
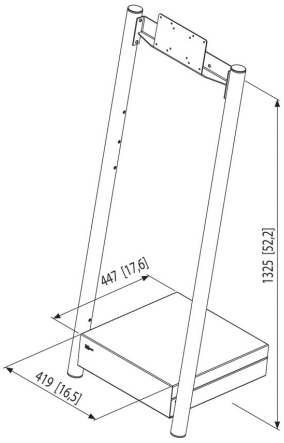
Flat display floor stand
PFF 1000

Specifications

- Max. weight: 15 kg / 33 lbs
- Guarantee: 5 years
- Available colours: Black

The PFF 1000 flat display floor stand is a extreme stable stand for LCD displays up to 26".

Flat display floor stand
PFF 1000



The PFF 1000 is the perfect solution to install LCD displays on a semi-portable base for use on exhibitions, schools, shops or convention and exhibition centres. The PFF 1000 comes pre-installed and therefore is easy to install. Thanks to the Cable management system all cables are out of sight. It includes a universal VESA interface and an integrated cabinet for DVD player, laptop or small PC. The optional lock PFA 9008 locks the cabinet, hence preventing theft. The cabinet also makes it possible to use a cable lock to secure the stand to its surroundings. Other options are PFA 9041 accessory shelve and PFA 9040 poster holder to customise the stand.

Features

- Quick and easy to install
